The following information was obtained from the records of the
 Department of the Interior, Bureau of Land Management, on
 the subject of the above captioned matter.
 The records of the Bureau of Land Management show that
 the land in question was acquired by the United States
 Government in 1862, and was then placed in the public
 domain. The land was later surveyed and the sections
 were numbered. The land in question is located in
 Section 10, Township 10 North, Range 10 East, of
 the 10th Principal Meridian, in the State of
 Colorado. The land is now owned by the United States
 Government, and is being offered for sale to the
 highest bidder. The land is being offered for sale
 in accordance with the provisions of the Act of
 March 3, 1879, and the Act of August 9, 1890.
